

In Remembrance of Andre Carman 2015

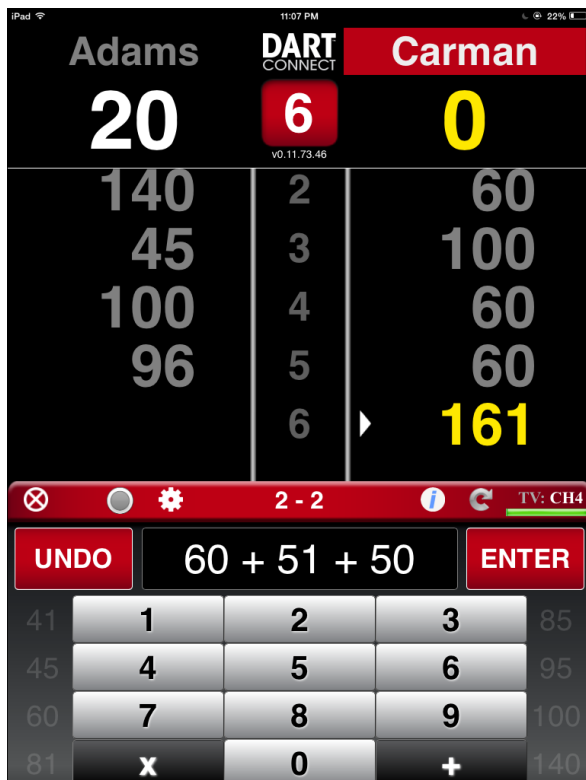

We only new Andre briefly, having met him at the 2015 Virginia Beach Classic. We found him to be polite, patient and supportive about a new concept call "DartConnect". He was also an excellent shooter.

We had the good fortune of scoring his spectacular 161 finish while his opponent had 3 darts ready for a double 10 win. If you would like to revisit this game, or some of his other performances at Virginia Beach, visit tv.dartconnect.com

Our thoughts go out to his family & friends.
